“The Fintech Evolution - What You Must Know in 2017” seminar was successfully held by IACVA Hong Kong Chapter on 6<sup>th</sup> April 2017 in Hong Kong. We are honoured to have CPA Australia as our supporting organisation. Excellent responses were received by members from the Hong Kong Chapter and the supporting party in the seminar. Our distinguished speaker, Mr. Sam Ngan shared his experience in the rapid development of financial technology, particularly in the latest adoption of Fintech, and the challenges and changes for the financial industry. We truly appreciate the participation of all parties, especially the generous support from CPA Australia. We look forward to holding more events with various supportive organisations in the future.
